"I've been trying to lose 'the last 8 pounds' forever. I thought the Transformation was just a weight loss program, but it's so much more! My skin is glowing, my energy is up, my sleep is better and my cravings are gone. I am in the process of becoming a vegetarian because I feel so much better."

"The 10-Day Transformation is the best thing I have ever done for my health. Before I started, I didn't want to look in the mirror. My boss was calling me names. I was taking up to 9 Advil a day for joint pain. In just 10 days I lost 15 pounds! I am going for 40 days. It keeps getting better and easier every day. I feel empowered, confident and in control of my body and my mind."

"My grown kids are really proud of what I have finally done. I told them over 25 years ago, right up until 10 days ago, that I would get in shape ... but I never did. They have never seen me under 200 pounds all their lives, until now. I was way overweight but I didn't have a plan. At 60 years old I feel great! There is nothing like this program."

"I'd been unhealthy for so long, I started to accept my fate. I was becoming an observer, not a participant, in the lives of my 11 kids. Then I tried David Sandoval's 10-Day Transformation. I'm truly surprised how quickly my body has changed! In just 10 days, I lost almost 20 pounds and went from a size 20 to a size 14!"

Before Koya Webb and David Sandoval introduced me to eating clean and green with Purium superfoods, I really wasn't in bathing suit shape. I was living on coffee and junk food. After just 10 days on David's Transformation Program my body began to de-tox and I knew I was on my way! I continued on Purium's maintenance program and only 90 days later I shocked myself when I placed third in my first fitness competition.
